

## Glasgow Songwriting Festival 2021

### Criteria for Funded Places

We expect a number of applications so we would like to make sure of a few things before giving you a place.

- 1) Are you a full time or part time musician. To clarify do you, or did you, prior to Covid, make all or part of your living through performing, writing or recording music? YES/NO
- 2) Tell us a little about your music career. Where you play, how long you've been playing, what you're hoping to do in the future. A few sentences is fine.
- 3) What do you hope to learn and/or gain from Glasgow Songwriting Festival? A couple of sentences is fine.
- 4) Please share some music with us that we can listen to. This could be anything from a recording of yourself singing a song on your mobile phone, a professional studio recording or anything in between. Just check the link before you send it. Email links to [info@glasgowsongwritingfest.com](mailto:info@glasgowsongwritingfest.com)
- 5) Do you require a full funded or part funded place? Part funded we reduce the cost to £75. Fully funded there is no cost.

Also we ask that you agree:

- 1) To attend all of the classes at Glasgow Songwriting Festival 2021. 10am-5pm Saturday 21st August and Sunday 22nd August. (NB. All students are asked to do this) If you have to cancel please give us plenty notice.
- 2) That you are willing to share in class what you've worked on with your fellow students. For example a tutor might ask you and your classmates to write a chorus and share it with the group. (NB. All students are asked to do this)
- 3) You would be willing to share what you worked on at GSF2021 on social media. A simple mobile phone recording is perfect. A video of you performing something is even better. Findlay will help with this if you have technical difficulties. It's just a way of anonymously letting the funders know that their donation has helped you.

**We will let everyone know if they have received a place or not by 5pm on the 2nd August.**
